

# Diabetes Medication Update

## Program Summary

This one-hour Lunch and Learn program will provide information on new and upcoming diabetes medications and will allow clinicians to apply that knowledge using problem based learning.

## Target Audience

All members of the practice team, including physicians, nurse practitioners, physician assistants, nurses, and diabetes care champions.

## Dates

You may schedule this one-hour continuing education program to best fit your needs.

## Cost

This Lunch & Learn program is provided at no charge as a service to primary care practices.

## Learning Objectives

1. Identify new diabetes medications and describe how to use them appropriately.
2. Discuss appropriate use of existing DM medications.
3. Identify indicators for moving to insulin.
4. Apply the knowledge of diabetes medications through case study, discussion, and a questions and answer period.

## Faculty

Della Flanagan, RD, CDE, MEd  
Joyce McCullen RN, BSN, CDE  
Sandy Sheeran, RN, CDE  
Cindy King, RN, BSN, CDE

NH Diabetes Education Program

In collaboration with:

This program is made possible in part by a grant from the National Association of Chronic Disease Directors' Women's Health Council.

## CONTINUING EDUCATION

### Physicians:

The North Country Health Consortium/Northern NH AHEC designates this educational activity for a maximum of 1.0 Category 1 credits towards the AMA Physicians Recognition Award. The North Country Health Consortium is approved as a provider of Continuing Medical Education (CME) by the New Hampshire Medical Society, an ACCME accreditation organization.

### Nurses:

Northern New Hampshire Area Health Education Center is approved as a provider of continuing education in nursing by the New Hampshire Nurses Association Commission on Continuing Education, which is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. This continuing education activity has been approved for 1.0 contact hours.

### Dietitians:

The Southern NH AHEC has requested 1.0 contact hours from the Commission on Dietetic Registration, the Credentialing Agency for the American Dietetic Association.
